

main

```
graph LR; main[main] --> km[km::ConfigReader::getCompressionChoice];
```

The diagram illustrates a function call. On the left, a white rectangular box with a black border contains the text 'main'. A blue arrow points from the right side of this box to a larger, gray rectangular box on the right. This gray box has a black border and contains the text 'km::ConfigReader::getCompressionChoice' on the top line and 'Choice' on the bottom line.

km::ConfigReader::getCompression
Choice
